VISION

To prepare future leaders who espouse the African tradition of honour and integrity for both the public and private sectors through quality education.

MISSION

To provide and facilitate the delivery of affordable quality education efficiently and effectively.

To achieve the above vision, we have highly qualified, competent and friendly academic and support staff to offer relevant market related courses in the business, information technology and public sector fields of study. Our academic staff are supported by lecturers from leading local and international universities. Together, they groom our students for a brighter future.
